Reliable & Professional

Andrea curates pieces from hand-picked, established and award-winning artists, graduates from celebrated art schools like **Cranbrook**, **Parsons**, **U of M**, and **CCS**, as well as early career creatives from across America.

If you'd like a greater level of connection with the art, we can create wall placards to educate, schedule artists talks, and help you create a beautiful catalog.

EC artist, Cathy installing her fiber artwork at a corporate client's new build project.

Ebonized Ash
Ships from Michigan

Why We're Better

- We listen more than we speak.
- EC sources from hundreds of American artists and makers.
- Our comprehensive presentations help our clients seal the deal.
- All custom projects are managed expertly.
- Challenges are met with ideas, not excuses.
- EC promises timely communication and reliability.
- Beyond the sourcing, we manage procurement, printing, framing, and installations.

Trade Review

"Andrea's extensive knowledge, resources, art selection, and amazing eye created a thoughtful and beautiful environment that enhanced the project's mission. Andrea used her resources and artistic intuition balanced against the client requests, strict budget, and tight schedule.

The end results are very impressive."
