SOME OF OUR CLIENTS

“*Andrea provided invaluable guidance to the entire team. Her extensive knowledge, resources, art selection, and amazing eye created a thoughtful and beautiful environment that enhanced the mission of the project.*

We appreciated that the selections included diverse mediums and that every aspect ran smoothly. Andrea easily balanced her artistic intuition with the client's requests, strict budget, and tight schedule. The end results are very impressive.

Embrace Creatives has my enthusiastic recommendation. I am confident that she will bring the same warmth, support, insight, and hard work to your next project.

A wide landscape photograph capturing a sunset over a calm lake. The sun is positioned on the left side, partially obscured by a large, leafy tree in the foreground. The sky is filled with dramatic, dark clouds, with bright light breaking through near the horizon. In the distance, a range of mountains is visible under the twilight sky. The lake's surface reflects the golden light of the setting sun. In the foreground, two small figures stand on the grassy bank, looking towards the water. The overall mood is serene and atmospheric.
